Field Crop Report

Rain in the Twin Falls area has made the first cutting of hay a challenge according to the Twin Falls Extension. The Twin Falls Extension also reports that the corn crop is starting to look better. The Franklin County Extension reports rainy conditions are delaying plant growth and making fieldwork difficult. Hay harvest is progressing slowly in Franklin County. Winter wheat, spring wheat and barley have been reported to be in mostly good to excellent conditions.

Livestock, Pasture and Range Report

Hay and roughage supplies were reported to be 50% very short, 26% short, 24% adequate, and 0% surplus.
